with the
New LG Two-Tone Fridge Freezer**

Looking for a stylish standard size fridge freeze but with a bigger capacity, then the new LG two-tone fridge freezer is for you, featuring black and brushed stainless steel doors.

LG fridge freezers are designed to provide the very best frost-free performance with high energy efficiency and the finest LG styling. Features such as the Fresh 0 Zone, Moist Balance Crisper and Multi Air Flow ensure food will taste fresher and last longer.

This model (GB7138A2VW1) is frost free, includes a handy bottle water dispenser and is A+ rated for energy efficiency. It also includes the Twist ice tray in the freezer section, an innovative new feature that allows ice to be made quickly and easily with no mess.
